INTERVIEW SUMMARY

Sir:

This Interview Summary is submitted in regard to the telephone interview between Examiner Binta M. Robinson and the undersigned which took place on April 24, 2009, and in response to the Interview Summary prepared by Examiner Robinson.

It is first noted that the only participants in the interview on April 24, 2009, were Examiner Robinson and the undersigned. The Examiner's Interview Summary incorrectly refers to a "Mark Boland" as having been a participant. This appears to be a clerical error.

Aside from the foregoing, the Examiner's Interview Summary appears to correctly state the substance of the interview. A "Brief Description of the Drawings" was discussed and added to the specification, Claim 9 was amended for clarity, and Claim 10 was cancelled.
